

Tensegrity Center for Yoga Therapy

Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Tensegrity Center for Yoga Therapy is committed to maintaining the privacy of our clients and protecting their private health information. Every attempt will be made to ensure that your medical record and protected health information is kept confidential. Any breach in confidentiality will be considered a serious offense and may be grounds for employee termination.

This privacy notice may change to more completely protect our clients' confidentiality. In the event of a change in the policy, the patient will be notified at the time of their next appointment and will be given the opportunity to review the modifications that have been made in the privacy notice.

Uses and Disclosure of Protected Health Information ¹:

- ☪ **Treatment:** the provision of health care by, or coordination of health care among Health Care Providers; the referral of a patient from one provider to another; or the coordination of health care or other services among Health Care Providers and third parties authorized by the Health Plan of the individual.
- ☪ **Payment:** activities undertaken by a health plan (or by a business associate of a health plan) to determine its responsibilities for coverage under the health plan policy or contract (including actual payment) or by the Tensegrity Center for Yoga Therapy (or business associate) to obtain reimbursement for the provision of health care.
- ☪ **Health Care Operations:** activity of the Tensegrity Center for Yoga Therapy to the extent the activity is related to covered functions. Health care operations include but are not limited to quality assessment and improvement; review of the competency or qualifications of health care professionals; underwriting and experience rating in connection with the renewal of an existing contract of insurance, with respect to individuals who are already enrolled in the Health Plan; medical review and auditing; compiling or analyzing information in anticipation of or for use in a civil or criminal legal proceeding; business planning and development; management activities.
- ☪ **Appointment reminders:** if you do not wish to have a reminder of an upcoming appointment left with anyone other than yourself, please notify your treating health care provider ².
- ☪ **Students:** The Tensegrity Center for Yoga Therapy participates with several higher education facilities to provide a training ground for future health care providers. Students have signed a confidentiality statement regarding the protected health information of our clients. Any breach of confidentiality of our clients' protected health information by a student is considered to be a serious offense and may result in the discontinuation of the affiliation with the offending higher education facility.

¹**Health information** means any information, whether oral or recorded in any form or medium, that is created or received by a health care provider, health plan, public health authority, employer, life insurer, school or university, or health care clearinghouse and relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual or the past, present or future payment for that provision of health care to an individual. **Health information is protected health information** if it is created or received by a covered entity; related to an individual's physical or mental health condition, the provision of health care to an individual or the payment for the provision of health care to an individual and identifies the individual or creates a reasonable basis to believe that information, including demographic information, can be used to identify the individual.

²Any person or organization that furnishes, bills, or is paid for health care services or supplies in the normal course of business. Members of the health provider workplace include employees and volunteers
